

## Miles For Soul 5k & Celebration

Saturday, May 9, 2026  
Anacostia Park, Washington, DC  
Time: 7:00 AM – 11:00 AM

**Who is Soul Trak Outdoors:** Soul Trak is a D.C.-based nonprofit committed to strengthening the connection between communities of color and the outdoors. Through dynamic programming in recreation, education, and leadership, we create opportunities for Black and Brown communities to explore, grow, and lead in nature. Our work is rooted in equity, representation, and the belief that everyone deserves access to outdoor spaces.

Miles for Soul 5K is Soul Trak's annual celebration bringing together partners, participants, and supporters to honor community engagement, inclusion, outdoor equity, and leadership development. This event serves as an important fundraising initiative, supporting affordable access to outdoor programming for over one thousand Black and Brown residents throughout the city.

This year, Soul Trak Outdoors will host Miles for Soul 5K at Anacostia Park in Ward 8, Southeast DC, a National Park and one of the city's most historic green spaces. The 3.1-mile run or walk follows the Anacostia River, a vital waterway that has shaped Washington, DC's history and continues to reflect the resilience, beauty, and diversity of the communities it flows through—much like the Soul Trak community itself. Surrounded by open parkland and river views, participants are invited to move at their own pace while experiencing nature in a space rooted in environmental and cultural significance.

This eagerly anticipated event draws hundreds of attendees each year and culminates in a joyful celebration of movement, connection, and community east of the river.

### Event Reflections

#### Testimonials

“I had the privilege of attending Soul Trak's annual celebration, and it was such a rejuvenating experience. The 5k run offered a refreshing way to connect with nature and get active, while the post-event festivities were filled with laughter, delicious food, and inspiring stories of empowerment. It's clear that Soul Trak's dedication to fostering community engagement and outdoor access is making a real difference in the lives of Black and Brown residents across the city. I cannot wait for next year!.”
